BE A PART OF OUR BEST YEAR EVER

At years end, our foundation will celebrate a decade of ownership of Fort New Salem. In that time, we have invested over a half million dollars in facilities and infrastructure. We now sponsor more events than ever from our season opening John Randolph Spring Arts Kick Off to our year end Spirit of Christmas in the Mountains.

Our guest crowds grow as does our media exposure. West Virginia Department of Natural Resources and WCHS-TV from

Charleston filmed an episode for television in December at Fort New Salem and we are the feature story in the current issue of *Wonderful West Virginia*.

RESHAPE THE FUTURE CAMPAIGN

Our foundation is kicking off our "RESHAPE THE FUTURE" campaign that will greatly impact the appearance and future of Fort New Salem! The cornerstones of this will be the restoration, rehabilitation and reopening of the **Green Tree Tavern** and the relocation of the **Reynolds House** from US Rt. 19 North of Clarksburg to our campus. The Green Tree Tavern is our signature structure and a visitor favorite for its fireplace and bar setting. The Reynolds House (circa 1800) will soon be brought onto our campus to be constructed at our entrance as part of our new visitors center complex. We thank Dr. & Mrs. Bradley Franz for their generous donation of the log structure. We also express our gratitude to the estate of the late David Johnson. David volunteered as our belsnickle and generously supported us during his life and at his passing. Our goal is to raise \$250,000 for these two important projects. We are in the process of contacting area businesses to join this cause and are pleased with the initial results. In fact, **if every recipient of our newsletter donated only \$400, our campaign will be a success and our work could be done by years end.**
