General Release

I am participating in a program at Fort New Salem. I realize that the basket-making craft involves working with tools that can cause injury to myself or others in the shop. I also understand that it is my responsibility to take every safety precaution to prevent or limit any injury. Failure to follow any instructions from Elaine Sinclair or her designee, may result in my immediate removal from the shop.

I agree not to hold Elaine Sinclair nor the Fort New Salem Foundation responsible for any injuries to me or any of my property while at Fort New Salem. I also understand that I am personally liable for any damages I cause outside of normal wear and tear to equipment at the Basket Shop of Fort New Salem.
