- ☐ June 21, 2025 10:00 am
- ☐ June 22, 2025 10:00 am

Space is limited so preregistration is recommended.

## **General Release**

I am participating in a program at Fort New Salem. I realize that the WEAVING ON A LOOM craft involves working with tools that can cause injury to myself or others in the shop. I understand this project requires repetitive motion of the arms and legs for an extended period of time. I also understand that it is my responsibility to take every safety precaution to prevent or limit any injury. Failure to follow any instructions from Kristina Culp or her designee, may result in my immediate removal from the shop.

I agree not to hold the instructor nor the Fort New Salem Foundation responsible for any injuries to me or any of my property while at Fort New Salem. I also understand that I am personally liable for any damages I cause outside of normal wear and tear to equipment at Fort New Salem.
